March 2025 Club Volunteer of the Month

Thank you to all the clubs who have helped us promote this via their own social media sites. This important recognition can only succeed if clubs get behind it.

Blaxland Football Club Volunteer of the Month:

Steve Myhill

Steve has done an amazing job in the role of Registrar this season. The countless hours he has put in to navigating the new system, helping people register, ensuring problems were solved and getting teams sorted has been brilliant. We appreciate his persistence and patience in this role and we wouldn't be in the position we are as a club, if it wasn't for the effort and work he has put in behind the scenes. His attention to detail has certainly had a positive impact and allowed our players and our club to be setup for a great season in 2025. The work that you do Steve, does not go unnoticed. Thank you!!!

Bligh Park Football Club Volunteer of the Month:

Elyse Falkenmire

Elyse has truly taken our social media presence to new heights with her incredibly creative and captivating posts. We are so proud of the way she represents our club. Thank you, Elyse!

Hazelbrook Football Club Volunteer of the Month:

Thom Johnson

The club is incredibly fortunate and deeply grateful to have had Thom serve on the committee for many years in various roles, most recently as Equipment Manager.

This is a demanding, behind-the-scenes role—one without glamour but full of challenges. Yet, Thom handles it all with excellence, kindness, and an extraordinary depth of patience.

Thom dedicates countless hours before, during, and after each season to ensure every club member has the right stock and equipment. He is resourceful in securing the best prices and top-quality products while also managing storage and deliveries with great care and precision.

Beyond this, Thom is not only a coach and manager but also a constant source of support for many of our teams. Last year, he even took on the

additional role of running goalkeeper training for our young players—a testament to his generosity and commitment.

And that’s just what we know about! There are undoubtedly many more ways Thom contributes quietly, ensuring the smooth running of our club. Honestly, we’re not sure when he even finds time to sleep!

Thom, from the bottom of our hearts—thank you. Your dedication, patience, and countless hours of hard work do not go unnoticed. We appreciate you more than words can express!

Penrith Football Club Volunteer of the Month:

Hayley Sharpe

Hayley is a single mother of 2 boys. She will openly tell you she doesn't have a sporting bone in her body. However Hayley has taken up the role of manager for both of her boys teams the U8 Alligators & U11 White. This is her first time ever and despite her other work commitments etc she has jumped in the deep end. With 3 soccer training sessions a week plus a Junior Cadet Referee in training her boys are busy and will take great pride in seeing the role she does and her efforts midweek at training & game days.

Penrith R.S.L. Soccer Club Volunteer of the Month:

Jodie Holman

Jodie's dedication and application by stepping up to the REGISTRAR role over summer, With the registration dramas this year, she has put in countless hours which has got us on the board this year.

Penrith Rovers Football Club Volunteer of the Month:

Kylie Dennis

Kylie... The quiet, little introvert that says g'day in passing on the fields on game day...

WELL WE WERE WRONG...!

This fire cracker of a legend, since joining our committee for the first time in 2025, is the life of the party and certainly knows how to turn even the worse of frowns upside down.

Kylie has stolen our hearts and demonstrated an unbelievable amount of commitment going above and beyond the call of duty to ensure the 2025 season starts off as successful as it can. Mastering the balancing act of football mum, football player herself in our AAW team and football club

committee member, she still finds the time to mow, line mark and fix the 'odds and ends' adding humour and fun at every turn.

Kylie, we thank you for injecting laughter, joy and passion into our club - without a doubt a true 'Mighty' Rover.

Springwood United Football Club Volunteer of the Month:

Scott & Beck Byrne

96 Teams, 100+ kit bags, 1000+ jerseys, hundreds of bibs, cones, and training balls, all sorted, accounted for, allocated and managed by our Equipment Officer Scott Byrne and his quiet achieving assistant Beck Byrne. SUFC would like to acknowledge another Committee member for all of the pre-season work and planning that goes into kitting out almost 100 teams every year at Springwood United.

Thanks to Scott, Beck, and your band of assistants, who have kitted out and will continue to supply resources to our teams this year. Another important job managing a large asset of the Club. Well deserved to you both and thank you for all you do.

St. Marys Band Club Rangers Football Club Volunteer of the Month:

Criag has been with band club for over 40years has held many positions and is everyone's go to person from Regos, by-laws, ground maintenance to canteen there's nothing craig doesn't know about, he consistently going above and beyond and leads with empathy and has set a remarkable example for others to follow, band club would not exist if it wasn't for this gentleman being our backbone to our club

Wentworth Falls Football Club Volunteer of the Month:

Micheal Garwood

Micheal is an integral part of our club.

For years, he has been the driving force behind organising Summer Soccer at Wentworth Falls Football Club. Alongside a few dedicated committee members, Micheal ensures the smooth and successful running of the competition year after year.

His efforts have helped foster a culture built on friendship, fun, and camaraderie. From painting the lines and setting up the competition on Dribl, to making sure referees are available for every game, Micheal's commitment is second to none.

Our community loves Friday night summer soccer, where the atmosphere is casual and relaxed, a perfect example of how football goes beyond just being a game. Thanks to Micheal, it's become something truly special.
